

# I Love YOU TO THE MOON & Back

## SUPPLIES:

- Moon, Hearts, and Astronaut/ Rocket Cut Outs
- Crayons or Colored Pencils
- Picture of Your Little Learner
- Scissors
- Glue Stick
- Black Construction Paper

## DIRECTIONS:

- Print out the astronaut/ rocket page on white printer paper, the moon on yellow construction paper, and the hearts on pink or red construction paper (if you don't have heart stickers).
- Decide if you would like the astronaut or the rocket, and then color it in.
- Cut out all the print outs, and the I love you to the Moon & Back wording on this page.
- Glue the moon to the right side of the black construction paper.
- Then glue the wording at the top right side of the paper and glue the astronaut or rocket in the middle.
- Cut out a picture of your child, and then have them glue it into the hole on the astronaut or the rocket.
- Use the hearts to fill in the rest of the space, and glue them down onto the paper.
