

ROCKS

ON THE Moon

SUPPLIES:

- Moon Workbook Page
- Rocks
- Dice

DIRECTIONS:

- Way to Play #1: (Independently)
 - Place all supplies in front of your little space cadet.
 - They will roll the dice and count the dots.
 - Whichever number they roll, have them place that many rocks on their moon.
 - Repeat until they run out of rocks.
- Way to Play #2: (Competitively)
 - Place all supplies on a solid surface, and separate rocks into two equal piles.
 - Take turns rolling the dice and counting the dots.
 - Place the exact amount of rocks that you rolled on the moon.
 - The first person out of rocks wins!
