

# RHYMING

## TIC-TAC-TOE

### SUPPLIES:

- Tic-Tac-Toe Board
- Rhyming Cards
- X and O Cards
- Scissors
- Optional: Laminator

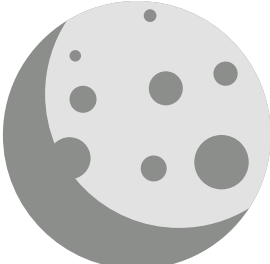

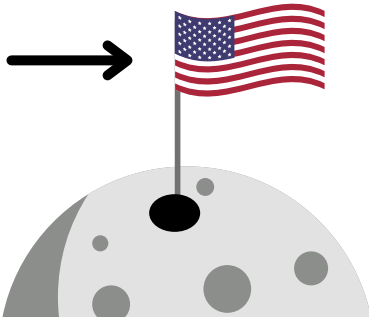

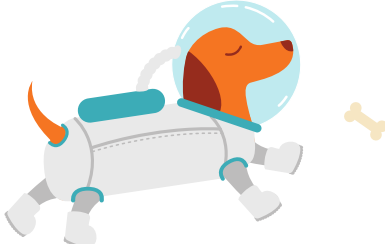

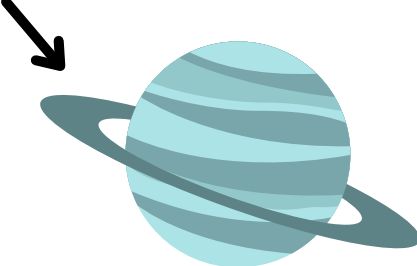

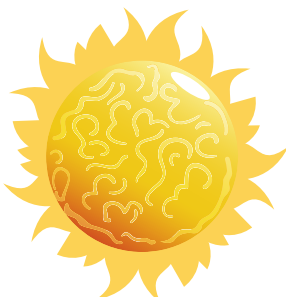

### DIRECTIONS:

- Cut out the rhyming cards, answers page, and X and O cards from your workbook.
- Optional: Laminates them to play over and over again.
- Then create a pocket by gluing the sides and bottom of the answers page to the back of this page. You will use this to store your rhyming and X & O cards.
- Scan the QR code to play the Tic-Tac-Toe rhyming game with Miss Toni and Miss Megan.
- After the video, distribute the x and o cards to each player. Then place the rhyming cards upside down in a stack.
- To start, player number 1 will draw a rhyming card from the deck. They will say the word out loud, and then try to find its' matching picture on the Tic-Tac-Toe game board. Once they find their match, they will place their X or O card on top of that square.
- Player 2 will then take their turn.
- Continue to play until one player has 3 in a row or all squares are filled.
